

For Your Eyes Only

TOP SECRET MISSION FROM MISSION CONTROL

You have been selected to go on a solo mission for MISSION POSSIBLE KIDS! Should you choose to accept this mission you must complete the assignment by **September 30, 2008**. You must dedicate *at least 2 hours* to achieve your Mission Star. You may work on this mission in parts as long as you reach your time goal by the deadline. You may not submit a project which you have or will receive credit for doing through another club or organization such as Scouts or with MPKids as a whole. You may work together with one or more agents, however EACH of you must reach your own time goal to qualify (Agent Parents may work with you.)

Make sure to wear your MPKids shirt while on the mission.

Once you have accomplished your mission, fill out the official Mission Report below, have your Agent Parent/Guardian sign it, and turn the report in to your local MISSION POSSIBLE KIDS Director.

GOOD LUCK ON YOUR MISSION!
